## Women's Golf Invitational

This year at the 23<sup>rd</sup> LLW's Women's Golf Invitational that was held July 19<sup>th</sup>, 20<sup>th</sup> & 21<sup>st</sup>, we celebrated our Soldiers with the 2012 theme "In Support of our Armed Forces". The 60 women that signed up this year were given a Care Package list of items that our soldiers overseas need on a daily basis. They were items that we all take for granted. The committee was overwhelmed with the out pouring of donations for this great cause. By word of mouth, many women that weren't playing the Invitational came by the golf house and dropped off their packages to support the troops. We ended up packaging 37 boxes that will be mailed to several locations in Afghanistan to soldiers that are from the Alcona area.

With the help of Scott McNeil, Marine Lance Corporal and Aaron Bentley, Air Force Sergeant, we offered the ladies to have their team pictures taken with our Soldiers with their donations to the Wounded Warrior Project. With the generosity of the women players and other Lost Lake Members and friends, we have collected a total amount of \$1,000 for this great cause. Thank you all!

The event started Thursday night. Out of 30 teams, which included 5 Guest-Guest teams this year, the majority of the gals came in costume to win the Team Costume Contest. Many gals were in a variety of military uniforms, and we had several "Rosie the Riveter's" dressed to the tee! Fun night for all!

Friday morning at 7:00, the women were ready to play golf. However, we surprised them all with an Opening Ceremony that brought tears to all. Our two soldiers raised an American Flag that was brought back from Afghanistan by Dava Abend's son, Sergeant Derek Quick, while Patty Goldammer sang the National Anthem. It was a very moving moment for all of us and we all need to thank our troops for protecting us every day.

We had two days of fabulous weather and great fun. The golf course was in excellent condition and all of our members should be very proud of their club. After the Saturday round, a luncheon was held at the lodge in the Auditorium for the Awards Ceremony.

We would like to express our thanks to everyone who helped make this invitational a success. Especially to our Lost Lake Woods staff, Ron Lamrock our Manager and Jim Dennis, our Golf Professional. Also Joanne Harmon at the Golf Shop and Brian Holmes and his golf maintenance crew. Martha Mechaud and her kitchen staff and waitress staff did a marvelous job. The food was great!

We also need to extend a huge thanks to all of our volunteers. Nancy Planck, Pat Kraphol, Marge Synk, and Sallie Morrow assisted with breakfast both days and coordinated all of the team pictures at the appropriate tables for our Saturday luncheon. The volunteers for Birdies, Chip in's, Skins, and the various raffles were handled by Iona Miles, Marge Synk, Patty

Wilson, Pat LeMarbe, Leslie McCadie, and Cheryl Bates.

The volunteer rangers were Jack Kostka, Don Morgan, Jim McCadie, and John Studt. Our scorers this year were Ed Hecklik, Bud & Sallie Morrow, Ben Synk, & Jack Kostka. John Studt and Jim McCadie volunteered to handle the Saturday Skins Game. Without all of these volunteers and the help of our Hole and Gift Sponsors that are listed on the next page, we could not have had a successful 3 day Invitational. The committee thanks all of you for all of your hard work in making this Invitational such a success!

Late Antlerless Deer Season  
December 17, 2012 - January 1, 2013

### Youth & 100% Disabled Veteran firearm deer hunt...

will take place on all lands (including Lost Lake Woods Club) in Michigan **September 22-23, 2012**. Youth 16 years of age or younger may participate in this special hunt. Hunters under the age of 10 must be licensed through the Mentored Youth Hunting Program and accompanied by a qualified mentor. For youth 10-16 years of age and qualified veterans with disabilities, valid licenses include a combination, firearm or antlerless deer license. During this two-day hunt only, a firearm or combination license may be used for an antlered or antlerless deer. A Deer Management Assistance (DMA) permit may also be used to take one antlerless deer only, if issued for the area/land upon which hunting. Archery and junior archery deer licenses are not valid for this hunt. The bag limit for this season is one deer.

A veteran who has been determined to have a 100 percent disability or is rated as individually unemployable by the U.S. Department of Veteran Affairs may participate in this hunt. Documentation from the Veterans Administration shall be in the possession of a veteran participating in this hunt.

All hunters are required to wear hunter orange and must have permission from the landowner or leaseholder before hunting on private land. The telephone number of the private landowner is required to acquire a private-land antlerless deer license.

***Club rules requiring antlered deer to have at least 3-Points on one side still apply!***

- \*No new permanent ground blinds may be constructed between November 1 and December 1.
- \*No rifle blind tags shall be issued after October 15<sup>th</sup>.

Our Youth Skills Campers built, painted, hung and adopted their own duck boxes this year. Special thanks to Conservation Committee Chair Ed Thomson, Ducks Unlimited and General Motors for having the passion and donating the time and materials necessary to complete the project for our benefit!

**Wishing all of our L.L.W.C.  
family and friends a very safe  
and prosperous hunting season!**

# Rummage Sale

## RUMMAGE SALE 2012 REPORT

Your Rummage Sale Chairmen felt very pleased that we made \$13,833.61 this year, which was the highest in several years. We couldn't have done it without all the many volunteers who helped sort through the mountain of items we received from our LLWC members. Please keep those contributions coming. It is great to see that our things can be recycled for our Alcona County and surrounding neighbors.

It was especially nice to have an extra day to set up for the sale. A special thanks to Ron Lamrock, Brian Holmes, Von Hoffman and their staff members for their assistance in the whole process. With their help, the maintenance staff and volunteers were able to put up the tents on Monday, which took a lot of pressure off all of us who had to prepare for the first day of the sale. We had 50-54 volunteers helping each day. **THANK YOU, THANK YOU, THANK YOU.** Also, Ellen and Greg Oke, Teresa and Bill Oke, Jr. and Bonnie and Jim Bennett with the help of other Alcona County firefighters fed us lunch each day, and Martha Michaud and the kitchen staff prepared sweet rolls, coffee, lemonade and ice water each day. Everyone always looks forward to the great food. It helps keep up our energy and gives us a little break, which we all need when getting ready for the rummage sale.

Through the years we have noticed that certain items do not sell. With that knowledge and new laws that have been made, we have a list of **items that will not be taken in 2013. They are: baby cribs, car seats, TVs, computers, printers, fax machines, slide projectors, VCRs, speakers, curtain/drapery rods, Christmas trees, skis, wooden golf clubs and any exercise equipment.**

We have received several requests for the funds, but have chosen to delay our decisions until we are certain that everyone who wishes to make a request that would be for the betterment of LLWC would have an opportunity to do so. However, you must have your request in to us no later than September 30, 2012. Our committee will meet the first of October and decide which projects to fund.

You will still have the same four chairmen for the coming year, but Don and Joyce Morgan and Anne Hogan and Jack Kostka have volunteered to pick up the slack when we are away during the year.

We will not have regular hours until the spring of 2013, but will receive your contributions by phone request until then.

Sincerely,  
Bob and Crystal Ruess – 736-7683  
Rene and Diana Feys - 736-6734  
Rummage Sale Chairmen

Expect your  
ballot in the  
mail by early  
September!

## CABIN OWNERS CORNER

At our July meeting the Cabin Owners board decided to publish a directory every year instead of every other year. The annual directory will then be as up to date as we can make it. No need for an update sheet and all that revising. The good news is you will be receiving a directory every year for no increase in dues. The bad news is we will print only the number of directories ordered. So, filling out your membership form and sending it into the front desk by the end of March will be very important. We will not have an abundance of directories available in May. So mark your calendar, watch for the membership form in January and get your dues in right away.

Sue Wander

The Cabin Owners had another very successful bake sale on July 12 generating \$1148.10. Marlene Kaschner is the heart and soul of this sale. She was up in the wee hours of the morning making her delicious sticky buns. To all of the members who brought pies, cookies, flavored breads and everything else, thank you, thank you! We had a special cook crew manning the tent: Marilyn Lighton, Bonnie Bennett, Joan Pearson, Carol Bandlow, and Mary Flannery.

We had donations of money from many who don't bake as well as donations of flour, sugar, nuts and the rest of what it takes to have a great sale.

This was my first attempt at helping Marlene and hopefully I'll be able to do it again next year.

Sallie Marrow, Chairman

## ALCONA ARTS RETREAT COMING TO LLWC IN SEPTEMBER

On the weekend just after Labor Day, nine 5-session art and music workshops will be held at and near the club. Prominent professional artists and musicians will lead the sessions in topics as diverse as folk singing, quilting, watercolor painting, photography and songwriting. In addition to the lessons, a wine and cheese mixer will open the event on Thursday evening, Sept. 6, and a cookout and concert will close it on Sunday afternoon, Sept. 9. Registration is open to the public, but Lost Lake members are especially encouraged to enroll. The workshops will be:

• Vocal Repertoire and Technique	
Watercolor – Nature Journaling (Vicksburg, MI)	Helen Kleczynski
Quilting – Free Cut Piecing (Milford)	Mary Bajcz
Photography – Digital Landscape (Grosse Pointe and LLWC)	Ted Fines

Each workshop costs \$225. Lodging, which is separate for those who need it, will be available at Lost Lake, the five Alcona County B&Bs and local campgrounds.

Inspiration Alcona is a not-for-profit organization of local volunteers, including three members of LLWC, created at the leadership classes held last autumn by the MSU Extension Office. The Alcona Arts Retreat is the first event sponsored by Inspiration Alcona. We hope to expand this program in coming years and include other events to promote Alcona County.

Brochures that include registration information have been sent by email by the club to all LLWC members who have given their emails to the office. A few more brochures are available at the front desk at the lodge, or by contacting Will St. John at [wjstjohn@charter.net](mailto:wjstjohn@charter.net) or 989-736-3000.

## September 2012

As we weather the heat and the drought of 2012, the condition of the golf course and the participation in the events has been pretty good. Although we are all looking for a slight cool down, many are hoping that there golf swings don't cool down for we are in the middle of our tournament schedule. Since the last issue a few events have taken place.

First, was the "The Lakes Cup" match between Lost Lake Woods and Lakewood Shores Resort playing a match play Ryder Cup style format. This year we played a 2 person scramble on the front 9 and a 2 person alternate shot on the back 9 at Lost Lake Woods followed by a nice easy dinner at the Lost Lure Lounge.

On day 2 we traveled to Oscoda where we took on "The Gailes" course where we played 1 best ball of 2 on the front 9 and an individual match on the back 9. At the conclusion of the event, it was Lost Lake Woods bringing home the "Cup" back home with the score of 31½ to 28½. A great day of golf was had by all. Congratulations team.

Next, was the Women's Invitational. After this fun filled two day event of playing a 2 person scramble on day 1 and one best ball of two on day 2, the following results were posted on the board:

A few days later the Men's Senior Championship teed off with 39 men competing for the chance to become this year's champion. This event features 36 holes of stroke play using 100% handicap for a net score and then divided into age groups. The results are as follows:

This year's 2012 Men's Senior Champion is Pete Dant. Pete shot a 2 day net score of 130 to beat the field by one shot. Great job Pete!

Congratulations to all the winners of the tournaments. As we start to wind down for the remainder of the season, it is still important to call and make a tee time reservation. The fall is a beautiful time to enjoy the golf course and we can be busy at times, it is also important that we adhere to the pace of play guidelines and rules of etiquette of letting faster players play through. Also, please make sure you observe the rules for golf carts, handicapped or not the golf cart must be at least 30 feet from the fringe of the green and tees. If everyone would abide by the rules set forth by the rules of golf and the club, all players would enjoy the day and there round of golf. This is why we play the game, to have fun. Until the next issue, enjoy the rest of the season.

## On Target!

(Rifle Range Report)

The Rifle Range Committee offered a full day of shooting activities at the range on August 4th. Most of the competition was tight. Nick Kachman put on a clinic for the younger shooters at the Running Deer Shoot. (That means anybody less than 80!) Three shooters tied for second place, nine points back. When Nick isn't demonstrating his shooting skills, he's setting an example by working at the range. Tell Nick awesome work next time you see him.

The Lost Lake Cup was awarded to Mike Kramer, 19 years since he won it the first time. Mike was runner up in the Running Deer Shoot and had the best score in Skeet. Weather conditions were not ideal

when he was at the Shotgun Range but he had no problems protecting his lead at the trap field. Congratulations Mike!

Andy Clark was the winner of the inaugural Dixie Cup Trophy. Like the competition for the Lost Lake Cup, the difference between winning the Dixie Cup and second place was one trigger pull. Andy saw stiff competition from Megan Downey in second place and his sister Sam Clark in third. Andy is a regular at youth shooting events and showed again that nothing beats practice. Pictured with Andy is Kevin Friddle and Pat Presti who have been putting in extra effort to build youth shooting programs at Lost Lake.

Mike Kramer edged out Doyle Downey at the Action Pistol Shoot. While Doyle's time was about 30% faster than Mike's over the course, Mike hit 3 more targets out of the 24 possible. This event puts big smiles on participants and we've heard of a lot of interest. But so far, the numbers of shooters have been modest. We hope to see you at the next shoot.

Many volunteers hours are required to keep the range in top form, run events, plan budgets, etc. Pictured here, bottom right, (L to R) is the crew from the evening of August 4th, Mike Kramer, Eric DeGraw, Johnathan and Pat Presti, Doyle Downey, Charley, Sam, Lisa, and Andy Clark Mike Jolly, Kevin Friddle, and DJ Jolly. Other workers not shown are Robert and Nick Kachman, and Gene Hindman. And we appreciate the donation of the hammer by Harvey Davis.

As the 2012 shooting season gives way to hunting season, planning for 2013 begins. Please share your ideas for events, safety improvements, or anything else. We can be contacted at [LLWCRifleRange@aol.com](mailto:LLWCRifleRange@aol.com).

## L.L.W.C. DART LEAGUE

The Lost Lake Woods Dart League will be starting September 11<sup>th</sup>, and will last ten to fourteen (10-14) weeks. The duration of the Fall season depends on the number of players to sign up. We will be playing at 7:00 PM in the lobby of the Lodge, on Tuesday evenings. The Tuesday after the season ends will be a potluck banquet night (Nov 21 - Dec 19), followed by a tournament.

A fun night is planned for September 4<sup>th</sup>, when the teams will be selected. Team members and substitutes should notify Ben or Marge Synk ahead of time if they are not going to be present for the September 4<sup>th</sup> organizational meeting.

You can join us for the season even if you have never thrown darts before, and still have lots of fun. Just show up September 4<sup>th</sup> and give it a try, then sign up.

He had not listed current members as sponsors on his application. The real estate company will not sell him the house until he had his membership approved. Joel Blohm supported. Board Approved.

Kevin Friddle suggested that Mark Behmer application could be postponed until the next meeting. Jim Mead will contact George Nevejans to complete the interview process.

#### **C. Bars**

1. Legacy Membership – May/Promotions

Jim May made the following motion: The BOD direct the Promotions Committee to investigate the proposed Family Legacy Plan, review the current By-Laws to determine what By-Laws are affected, and to make suggested By-Law changes and wording that will eventually be put forth to the membership for a vote and approval. Bob Ruess seconded. Handouts describing the proposal were presented to the board. All in favor, motion passed.

### **2. Lodge Study – May**

Jim May made a motion to create a Lodge Renewal Committee that will be comprised of 6 – 8 members. The committee members must apply to the BOD for a position on the committee and must demonstrate a professional skill that is beneficial to the completion of the committee's goal.

The goal of the committee will be to learn from the club membership, club management, and staff, through interviews, surveys, etc., the needs and wants towards a new or renewed LLWC lodge.

This committee will be tasked with taking all of this information and creating several professional proposals to be presented to the BOD and eventually to the club membership for action.

This committee will be granted a budget (amount TBD) in order to hire professionals that can help in achieving this goal. Jim Mead seconded.

Jim May agreed to champion the committee and the board decided that he could form his committee and come back to the board with a request for what they might need for a budget. Jim Braden and Joel Blohm agreed to help. Jim Mead made the suggestion that he does not need to come back to the board for approval of the committee.

Tammy suggested the following motion instead: To allow Jim May, Jim Braden, & Joel Blohm to create an ad-hoc Lodge Renewal Committee comprised of 6-8 members to go forward with a lodge study, coming back to the board if and when they may need funds. All in favor, motion passed.

### **3. Turkey Feeder – CC**

Joel Blohm made the following motion on behalf of the conservation committee: The BOD authorize the reallocation of funds (no more than \$500) to allow the Manager to obtain the necessary materials construct the necessary barriers around one feeder. (Note: Construction should start soon in order to have the feeder ready for tryout this summer). Tammy Hurt-Mendykya seconded. All in favor, motion passed.

### **4. Deer Check Station – CC**

Joel Blohm made the following motion on behalf of the conservation committee: The BOD authorize the scope of work change and reallocation of \$950 within the existing "Price not to exceed" contract to enable data collection for the early antlerless deer season to be held at LLWC in 2012. Tammy Hurt-Mendykya seconded. All in favor, motion passed.

### **5. Investment Policy – F&A**

Norma Christopherson moved to amend The Investment Policy as follows:

- a. The Section 12 maximum allocation on Municipal Bonds is changed from 50% to 75%.
- b. The Section 8C will include "Lost Lake Index" as an additional benchmark.
- c. Joel Blohm seconded. All in favor, motion passed.

### **6. Nominating Committee Report**

Jim Mead moved to accept the Nominating Committee's report putting forth the following candidates for election on the October 2012 ballot: John Bishop, Joe Boelter, Rene Feys, Michael Hailer, Kinda Hupman, & Jim Youngblood. Tammy Hurt-Mendykya seconded. All in favor, motion passed.

## **VII. REPORTS**

### **A. The Treasurer's Report was presented by Norma Christopherson.**

### **B. Manager's Report was presented by Ron Lamrock.**

- The new annual guest program is up and running with two applicants.
- Maintenance reported the water pump in the lodge failed the day after Memorial Day. Repairs were made the same week and we were back up and running by the next weekend. However, LLWC should look into having a back up well specifically for the lodge and he will have some numbers for budget requests. Repairs are estimated to be in the \$5000 to \$6000 range

(Continued on next page)

## Board Mtg Minutes

(Continued)

- We also had issues with the lodge septic line between the lodge and the maintenance building. A Contractor was called into repair the leak and while they were here, we had them camera the line and clean it out all the way from the lodge to the maintenance building. Repairs should be about \$1000 and it was suggested that we do this every other year. It had not been done in approx. 30 years so in reality we should probably have it done every five years at a minimum.
- Jim Dennis's computer died just before the Men's Invitational, but our IT person was able to put a new computer in before the Invitational started.
- Spaghetti Dinner, Men's Invitational, and Memorial Day Weekend events all went well.
- Junior Golf Camp, 4th of July activities, Skills Camp, and Rummage Sale are coming up quickly.
- Dining Room has not been very busy during the week for breakfast and lunch. Ron suggested that more wide spread advertising that we are open this year during these times may help.
- 4th of July activities are on Saturday, July 7th and Ron has put on as much security as possible for that weekend. However, please understand our security cannot be everywhere and the crowds may still be more than our security can handle.
- Our recently hired Food & Beverage manager was let go and we will be continuing to look for a new candidate.
- Swimmer's itch was been reported and the beach. The lake has been treated once and will be treated again closer to the 4th of July. In the meantime, please be sure to rinse off when you come out of the water.
- It was suggested that we upgrade the TV in the manager's apartment. Jim Mead motioned to spend up to \$750 to buy a new TV for the apartment. Joel Blohm seconded. All in favor, motion passed.

### C. President's Report - Jim Mead

- Jim Mead would like to form an ad hoc committee to help clean up the subdivision. With the board's approval he would like the committee to help the manger enforce the subdivision rules & regulations, especially dealing with member complaints. The board agreed.
- With the proliferation of election time, Jim Mead wanted to remind the membership to follow subdivision rules & regs while placing any election signs in yards. They must be on a member's personal property, so many feet back from the road, and you must have the property owner's permission to place the sign. Signs cannot be placed on Club property.
- He also reminded the membership that for all emergencies to call the 911 first not Club security. Specifically, he mentioned an electric wire down in the subdivision and the club was called first. The club cannot respond to these types of situation and 911 should be called instead.
- The club will oil coating the roads in the subdivision (Racoon, Panther, Muskrat, and part of Lost Lake Trail only) once this summer. If you live on these roads and wish to have your section done again, you will need to contract with the provider to do so.

- Men's Golf Invitational was a success and "kudos" must be given to all of the golf maintenance staff for having the course in the really good condition and also to the pro shop staff and food service for doing a great job.
- Jim allowed Ann Hogan to speak. Ann wanted to say how great LLWC was for her son's wedding and to thank the staff for doing a great job.

### VIII. DISCUSSION

- A. New State Laws - Impact at Lost Lake – Helmets & Fireworks  
State of MI recently changed state law to no longer require helmets on motorcycles and to allow fireworks that leave the ground. However, helmets are still required on ATVs. Lost Lake has rules that will be more restrictive than state law.

In Lost Lake, helmets are required on ATV's at all times. If you are on a motorcycle leaving the club, no helmet will be required but they will be required in the woods. Personal fireworks will still not be allowed in the club.

- B. Tammy Hurt-Mendyk brought up that the five year plan developed years ago by Wade Trim has not been updated since 2005. She would like to email it out to the board and have them decide if this is something the board would like to update. Jim Mead motioned to send it out to the board. Kevin Friddle seconded. All in favor, motion passed.

### IX. ANNOUNCEMENT OF EXECUTIVE SESSION @ 11:00 a.m.

### XI. ADJOURN @ 11:55 a.m.

## Money Matters

The Lost Lake Woods Club annual Budget Workshop will be held on September 22. This is the opportunity for club committees and management to present to the Board of Directors and the Finance Committee their requests for 2013 funding. This meeting, as well as all the other Finance Committee meetings, is open to all club members who wish to attend. It is a great way to see where the club is headed and how we intend to get there.

A special  
thank you  
to the ladies of  
Alpha Sigma Tau  
from Grand Valley  
State University  
for having their  
retreat at LLWC!

## Manager Minutes

I'm writing with the end of summer just around the corner. Time sure flies here. We have had pretty strong participation this year and are on or ahead of budget in most areas as well as overall for the year to date. I know I always harp on you about this, but use of the Club is very important to our financial health.

The focus of our work beyond Labor Day weekend will be on getting fall ballots in the mail, budgeting for next year and continuing to work on already approved capital projects. I am hoping to have your ballots to you by the end of the first week of September. Please keep an eye out for them and give us a call if you haven't received them by that time.

One nice improvement that the Club has made is development of a new, more modern looking website. There are still some pages under construction, but most reviews have been overwhelmingly positive. Usernames and passwords are only required to access personal member account information now, so you should be able to show your friends a little more about the Club now. Please remember that you can opt to receive your newsletter and statement via e-mail now and you can pay your statement online. If a significant number of members choose these options, it could save your Club quite a bit of money in postage, paper and ink. Think Green and go paperless!

As a reminder, the dining room will be returning to

weekend service and private parties only after Labor Day. I will begin cutting back on other seasonal staff as well. My thanks to all of our young staff that recently returned to college. I think we had a pretty good summer and appreciate their efforts.

In closing, I'm hoping for a beautiful fall here at the Club. The weather has been so hot for so long that I'm not sure when or what to expect from fall colors. If you get a chance, make plans to visit us and see for yourself.

As always, I hope to see you soon, travel safely and take care!

- Ron Lamrock, Manager LLWC

## Conservation Corner

### Signs?

The question has come up a number of times "How come this field gets planted and that field does not?" The answer to that is determined by the color of the sign. A white sign is a food plot and a red one is a wild opening.

Our wildlife management program dictates that we create approximately 200 acres of openings and food plots. Openings are just as vital as food sources in that they created bedding and fawning areas, and also nesting areas for upland birds. The conservation Committee is doing a trial starting this year to convert some openings into a combination of native grasses and perennial forage.

In order to be successful in our efforts, we ask all of you, members and guests to please stay off of cultivated and planted areas. If you must go through one of these areas, please use the extreme edges and try to do as little damage as possible. We have had a serious problem this year with field damage. It is so serious that the Board of Directors has offered a reward for the identity of the persons responsible for the damage.

Hunting season is just around the corner. Let's be safe and have a great time hunting at our club. Below is a list of season dates.

### 2012 EMPLOYEE CHRISTMAS FUND

Think about the club employees you may have seen this summer; serving your needs at the front desk, cutting lawns in the hot sun, dashing around the restaurant serving meals, cleaning the windows and floors. Despite the hot weather we have had lately, it is time again to begin to remind you about our annual 2012 Christmas Fund for LLWC employees!

This voluntary and confidential fund has continued with member donations for over 30 years. Each club employee receives a cash Christmas gift that is calculated from the total fund contributions using a formula that bases each gift on his or her current annual earnings and number of years of service.

We especially want to give this reminder to those members who may be leaving soon for the winter or just spending some time at the club. You will want to make your contributions early. The cut-off date for contributions to the 2012 Employee Christmas Fund is December 15, 2012.

Checks should be made payable to the **EMPLOYEES CHRISTMAS FUND** and mailed to the Administrator of the Fund:

Maureen Castern,  
4115 N Pheasant Road, Lincoln, MI 48742,  
or left at the front desk of the Lodge.  
If you have any questions, feel free to call me at (989) 335-4112.

Many thanks are due to Marge Synk for administering this fund for the past 7 (at least!) years. I hope I can live up to her standard of reliability and competence.

Thank you for your continuing generosity!  
Maureen Castern
